v.	§	
	§	
JIN YU MARINE INC.; GOLDBEAM INTERNATIONAL, LTD.; COASTAL CARGO OF TEXAS, INC.; AND WESTERN BULK CARRIERS AS,	§	
Defendants.	§	

COMPLAINT

1. Plaintiff, TMK IPSCO International, L.L.C. (“TMK”) by its attorneys, Hill Rivkins LLP, complaining of the M/V Jin Yu, Jin Yu Marine Inc. (“JYMI”), Goldbeam International Ltd. (“Goldbeam”), Coastal Cargo of Texas, Inc. (“Coastal”) and Western Bulk Carriers AS (“Western Bulk”) (collectively “Defendants”), alleges upon information and belief:

A.

2. This is an admiralty or maritime claim within the meaning of 28 U.S.C. § 1333 and Rule 9(h) of the Federal Rules of Civil Procedure, or pursuant to 9 U.S.C.A. § 8, preservation of *in rem* security for arbitration.

B.

3. At and during all the times hereinafter mentioned, TMK was the consignee and owner of the cargo in question and brings this action on its own behalf and on behalf of

all who may become interested in the cargo. TMK had and now has the legal status and principal office and place of business stated in Schedule A attached.

C.

4. At and during all the times hereinafter mentioned, JYMI, Goldbeam, and Western Bulk had and now have the legal status and offices and places of business stated in Schedule A. They were, and now are, engaged in business as common carriers of merchandise by water for hire, and owned, operated, managed, chartered and controlled the above-named vessel which now is, or will be, within the jurisdiction of this Court, or another U.S. court of competent jurisdiction, during the pendency of this action. Plaintiff requests that the court permit later service of the *in rem* aspect of this case, awaiting this foreign vessel's return to the United States for service of *in rem* process.

5. Defendant Coastal had and now has the legal status and office and place of business stated in Schedule A. They were, and now are, engaged in business as vessel stevedores, and discharged the above-named vessel at the Port of Houston upon arrival of the M/V Jin Yu.

D.

6. On or about March 31, 2014, at the port of Novorossiysk, Russia, the M/V JIN YU and defendants JYMI, Goldbeam, and Western Bulk received, in good order and condition, the shipment described in Schedule A, which the vessel and defendants accepted and agreed to transport for certain consideration to the Port of Houston, Texas.

E.

7. Thereafter, the vessel arrived at the Port of Houston, where the cargo was found short delivered, contaminated by seawater or other aggressive chemical substance, and

/or physically damaged, causing monetary damages to Plaintiff as enumerated herein. On information and belief, the vessel and defendants JYMI, Goldbeam, and Western Bulk breached, failed and violated their duties and obligations as common carriers and were otherwise at fault.

F.

8. On or about May 14, 2014, at the Port of Houston, there was delivered to defendant, Coastal, the shipment described in Schedule A, which Coastal received and agreed to discharge, handle and transport for certain consideration at the Port of Houston.

9. Defendant Coastal warranted expressly or by implication of law, to plaintiff and/or its benefits, to act carefully, and in a workmanlike manner, in the handling, discharging and transportation of the cargo.

10. Thereafter, by its negligent handling, sorting, identifying, discharging and transportation of the cargo at the Port of Houston, said defendant Coastal caused and/or contributed to the damage to, and short delivery of, said shipment, which occurred while the cargo was in the possession of Coastal.

G.

11. Plaintiff further alleges, in the alternative and without waiving the above cause of action, that all defendants were bailees of plaintiff's cargo described in Schedule A. Defendants delivered the cargo described in Schedule A in a damaged or short delivered condition which did not exist at the time of plaintiff's/bailor's delivery to the bailee as described in Schedule A. Defendants breached their duties and obligations as bailees and were negligent.

H.

12. Plaintiff further alleges, in the alternative and without waiving the above cause of action, that all defendants were bailees of plaintiff's cargo described in Schedule A. Defendants delivered the cargo described in Schedule A in a damaged condition or short delivered, which condition did not exist at the time of plaintiff's/bailor's delivery to the bailee as described in Schedule A. Defendants breached their duties and obligations as bailees and were negligent.

I.

13. Plaintiff was the shipper, consignee and/or owner of the shipment and brings this action on its own behalf and, as agent and trustee, on behalf of and for the interest of all parties who may be or become interested in the shipment, as their respective interests may ultimately appear, and plaintiff is entitled to maintain this action.

J.

14. Plaintiff has duly performed all duties and obligations on its part to be performed.

K.

15. By reason of the above-stated premises, plaintiff has sustained damages, as nearly as same can now be estimated, no part of which has been paid although duly demanded, in the amount of NINETY EIGHT THOUSAND SIX HUNDRED TWENTY-TWO AND 51/100 DOLLARS (\$98,622.51).

L.

16. All and singular the premises are true and within the admiralty, maritime, and pendent jurisdiction of the United States and of this Honorable Court.

Wherefore, Plaintiff prays:

1. That summons in due form of law may issue against defendants;
2. That a judgment may be entered in favor of plaintiff against defendants, one or more of them, for the amount of plaintiff's damages together with interest and the costs and disbursements of this action;
3. That process in due form of law according to the practice of this court in causes of admiralty or maritime jurisdiction may issue against said the vessel, her engines, etc., and that all persons having or claiming any interest therein be cited to appear and answer under oath all and singular the matters stated, and this court will be pleased to pronounce a judgment in favor of plaintiff for damages together with interest, costs and disbursements, and the motor vessel may be condemned and sold to pay therefor; and
4. That this court will grant to plaintiff such other and further relief as may be just and proper.

Respectfully submitted,
